

# St. Mary's Academy

TRADITION ENDURES

## Scrip Program Agreement

All families are required to purchase \$2,500 in Scrip from May 1—April 30th. If families choose not to participate, they have the option for a one time buy out from this fundraiser at \$250.

The buyout fee is due no later than **October 1st** of each year unless other advanced arrangements have been made.

If families do not fulfill the \$2,500 Scrip minimum, they will be charged \$0.10 per \$1.00 scrip increment (up to \$250 max)

The scrip program provides needed income for St. Mary's Academy to keep tuition increases to a minimum. Funds raised from Scrip also keeps classrooms stocked with necessary supplies for students that were not otherwise covered at the beginning of the school year. When families purchase everyday items like gas and groceries at different vendors such as Arco, Walmart, Safeway, etc. the Scrip program will rebate a percentage back to our school. Scrip is an even exchange of money for gift cards that can be used at thousands of retailers, which means families don't lose a single penny investing in Scrip.

Active participation in Scrip is a great way to minimize the extra fundraising efforts for families without costing extra time or money. Scrip can also be electronically purchased at your convenience with participating vendors as well as be pre-ordered with a wait time of 2-5 business days. Please see Mrs. Nguyen if you choose to make Scrip purchases or reloads online. The app to reload cards is called "RaiseRight" and our enrollment code to get set up is 7DLL5E6C248L9.

Thank you,  
Sister Maria Regina, CMRI  
Principal
