St. Mary's Bookstore – Primary Suppliers

1. MIQ Center

This is my main supplier. It is run by the CMRI Sisters at Mt. St. Michael in Spokane. We usually get about a 10% discount on items they don't create themselves. They have a printing shop and those items that they print we usually get a 50% discount.

I usually order on-line. We have an account with them. I'll get you set up with a login so you can order things.

2. Mother of Our Savior and Refuge of Sinners Publishing

They are in Indiana and have a large selection of Catholic items as well as their own publishing business. Like MIQ Center, we get a much larger discount on their printed items. We have an account with them, too.

I look online for the items I want and send an email to the manager there (her name is Rose) with my list. She will send it along with the bill.

3. TAN Books

We have an account here as well. They are a Catholic publisher that has been in business for a long time. These days, however, you have to be cautious of what you get – they are NOT a traditional publisher. MIQ carries a lot of items from TAN but we get a much larger discount by ordering directly from them.

4. Angelus Press

There are a number of books that I order here. Again, we have an account. Also this isn't a Traditional supplier either so you have to be careful about ordering from them.

5. There are other online places I occasionally order from, usually by email and they will either bill us for the merchandise or I use my credit card and have the bookstore reimburse me. There is a church credit card if you need that.
