### Closing Hymn:

#### *Who is She Ascends So High*

Who is she ascends so high,  
Next the heavenly King,  
Round about whom angels fly,  
And her praises sing?

Who is she adorned with light,  
Makes the sun her robe,  
At whose feet the queen of night  
Lays her changing globe?

Heaven she was,  
Which held that fire  
Whence the world took light,  
And to heaven doth now aspire  
Flames with flames to unite.

She that did so clearly shine,  
When our day begun,  
See how bright her beams decline:  
Now she sits with the Son.
